

»Ni korupcijskega delikta.«

Zato so primer zaključili.

Izjava je izjemnega pomena. Ryaboshapka je s svojim odgovorom potrdil točnost objavljenih informacij o mednarodni korupciji in visoki izdaji, vendar tam ni našel korupcijskega delikta.

Ali lahko uganete, zakaj UDT ni našel kaznivih dejanj? Ker so že prvi delovni dan novega generalnega tožilca zaključili kazenski postopek.

V petek, 30. avgusta, je predsednik Zelenski podpisal odredbo o imenovanju Ruslana Ryaboshapka za generalnega tožilca. Ob koncu tedna je praznoval. In 2. septembra, v ponedeljek, na njegov orientacijski dan pride, da bo zaključil očit en primer.

Če je Ryaboshapka zaključil primer, je njegov namestnik in vzporedno vodja posebnega tožilstva za boj proti korupciji Nazar Kholodnitski ugotovil naravo kaznivega dejanja in je na podlagi moje prijave sprožil preiskavo. Zgornja igrača je videla dokument od Ryaboshapka, tukaj pa je spis od Kholodnitskiyja.
