

The analysis of the received documents shows that there are no several physical storage media concerning the conduct of covert investigative activities (resolutions, petitions, orders), the results of these actions (protocols and annexes thereto), as well as the corresponding official correspondence (letters, reports, etc.).

In order to ensure a prompt, complete and impartial investigation of criminal offenses, in accordance with the requirements of Article 17 of the Law of Ukraine "On the National Anti-Corruption Bureau of Ukraine", I request you to send the above materials to the National Anti-Corruption Bureau of Ukraine in compliance with the requirements of classified document management.

Sincerely,
Director
